## Rector's Message

Service is one of the cornerstones underpinning the foundation of Michaelhouse boys, and our encouragement to live a life of service was exemplified by the life of Dr Maurice McGregor. Dr Maurice McGregor was, until last month, the oldest living Old Boy of our school (at 105) and his contribution to the world in the field of medicine led to the Order of Canada being conferred on him in 2010 for a “lifetime of outstanding achievement, dedication to community and service to the nation.” His impact on the practice of medicine and, in particular, the field of cardiology as a cardiovascular surgeon and later in health technology assessment marked Dr Maurice McGregor as a person of extraordinary capability and empathy with his fellows.

Born in 1920, Maurice was educated at Michaelhouse before proceeding to the University of the Witwatersrand where he graduated as a doctor. Later, he supported the Allied Eighth Army and the United States Fifth Army in Italy in the medical field from 1943 to 1946 before moving to Britain and then to Canada where he held many positions including that of Physician-in-Chief at the Royal Victoria Hospital in Montreal and Vice-Principal of the prestigious McGill University.

# RECTOR'S eNEWS

MICHAELHOUSE

It was mainly under the aegis of McGill University that he was the author of as many as 157 peer-reviewed articles for a variety of medical journals. Maurice returned to South Africa as Dean of Medicine at Wits for three years from 1984 to 1987 and, during that time, an increasing number of black medical students were enrolled at the university. He empathised strongly with the plight of black people at that extremely challenging time in the history of this country, but a variety of factors took him back to Canada where he assumed, in 2000, as an 80-year-old, the Chair of Technology Assessment at the University of McGill Health Centre.

Dr Maurice McGregor married Dr Margaret Beckdale, a respirologist who later became an epidemiologist, and who, for decades, engaged in developing ways in which to fight lung diseases.

Here is an example of a Michaelhouse boy who, in essence, gave his life in the service of others in the field of his expertise. The world, and especially people in South Africa and Canada, are the richer for that service.

We have a number of erudite and high-respected women on our staff, one of whom is our Senior Academic, Mrs Tanith von Mayer. On the occasion of Women's Day, she spoke eloquently to our boys on attitudes to women, hitting the right buttons in a powerful and pertinent address. If you would like to read it, click [here](#).

## Meet the Rector-Elect Invitations

We are hopeful that you will have kept one of these options open to meet with Mr Bart Wielenga, the Rector-elect, when he visits South Africa in September. There will be further details regarding each occasion but, in essence, Bart's availability to meet with parents and others in three venues should enable many of those who wish to engage with him to do so.

## World of Work Day

On Wednesday 6 August the Makan Centre was buzzing with boys and speakers for the second ever World of Work Day (WOW) for our B Block boys. Michaelhouse hosted 20 guest speakers both in person and online, highlighting diverse careers from supply chain management to engineering. The boys attended a keynote speaker at both the start and the end of the day, and in between chose four workshops (from over 15 options) to attend depending on their personal and career interests. A huge thanks to our Old Boy network who really stepped up to provide a broad speaker base each with a fantastic depth of knowledge in their field.

Mr Paul Bushell, a psychologist from Raising Careers kicked off the day with a keynote address called ***Career Development – A lifelong journey for adults and teens***. He encouraged the boys to reflect on their strengths, interests, values, and personality when considering careers.

The day closed with careers specialist Mr Tim Jarvis sharing ***5 Myths of University Applications***.

The day was a wonderful success and the boys thoroughly enjoyed listening to all the diverse presentations. The World of Work Day forms part of the B Block syllabus as the boys start preparing for their job shadow week in September.

Click [here](#) to see the program from which the boys benefited. Please let Mrs Leigh Kotze ([leikot@michaelhouse.org](mailto:leikot@michaelhouse.org)) know if she can assist in putting your son in contact with any of the guest speakers if they are interested in asking further questions or advice in a particular field.

## B Block Economics: Visit from Dr Getik – Durham University

The B Block Economics students had the privilege of hosting Dr Demid Getik, Assistant Professor of Economics at Durham University on Monday. Dr Getik delivered an engaging and thought-provoking session on the Economics of Poverty in Africa which served as a taster of further study in this field.

Drawing on research and current theories, Dr Getik explored the complex causes and measurement of poverty across the continent from the paradigm of Economics. He highlighted the interplay between historical factors, governance, and resource distribution. In addition to the academic content, Dr Getik also spoke briefly about Durham University, sharing insights into its academic culture, student life, and opportunities for those interested in studying Economics at one of the UK's leading institutions.

We are grateful to Dr Getik for his time and expertise, and for offering our students a window into both real-world economic issues and the possibilities that further study can offer.

### *Jazz Band*

On Friday the Michaelhouse Jazz Band had the privilege of performing at the Michaelhouse Golf Day held at the prestigious Gowrie Farm Golf Course.

The beauty of the sunset was matched by the warm, vibrant sounds of the acclaimed Michaelhouse Jazz Band. Their well-curated set featured timeless jazz standards, soulful South African jazz, and smooth classic R&B favourites.

## *Debating and Public Speaking*

Last week, three of our teams, one E Block, one Junior and one Senior, competed in the semi-finals of the Pietermaritzburg Debating League. This is the first time in years that we have had so many teams progress to this stage. Unfortunately, the Junior team lost to Epworth, whose third speaker was, by all accounts, “unbelievable”. However, our novice E Block team won their debate, with **Charlie Parham** (E Block Baines) named best speaker. And in a huge upset, the MHS 1 Senior team beat GHS, arguably the strongest team in the league, with **Tumi Motsepe** (A Block West) being awarded best speaker. Both of these teams have advanced to the finals, for the first time in years, and will take on GHS Grade 8s and Maritzburg College Seniors on Thursday evening. We wish them all the very best!

This past weekend, six boys: **Kai de Klerk** (D Block Baines), **Nicholas French** (B Block Pascoe), **Tanaka Chinyoka** (C Block Ralfe), **Rendani Nonge** (B Block West), **Oliver Thompson** (C Block McCormick) and **Otto von Claer** (B Block Fairfield), travelled to Joburg to participate in the National Individual Debating and Public Speaking Championships (NIDPSC). This is an annual, prestigious and highly competitive event and the boys, having auditioned and been selected, spent months preparing to compete in each of the four categories: Interpretive Reading, Impromptu Speaking, Debating and Persuasive speaking or After-dinner speeches.

They all did well, ranking highly in a variety of categories and receiving impressive feedback. Well done to **Rendani Nonge** who made the final for his persuasive speech, entitled *The Sound of Silence*. A special congratulations to **Oliver Thompson**, who made the finals for both Interpretive Reading (*The Book Thief*) and Persuasive speaking (his speech was entitled *Through the Glass* and reflected on the invention of the mirror and the impact it has had on self-perception in the modern world.) Oliver ranked 10th out of all of the speakers and has been selected for the South African delegation that will travel to Bristol in the UK next year to take part in the Worlds Championships (World Individual Debating and Public Speaking Championships). This is a phenomenal achievement and we are so proud of Oliver!

## Swimming

Congratulations to **Samuel Gilson** (E Block West) and **Bandile Mahaye** (E Block East) who participated in the KZNA Short Course Championships held at St Mary's this weekend. They both swam well and achieved the following results:

Samuel got to four finals and, although he did not achieve any placements, he swam two personal bests. A good start to the swimming season for Samuel.

Bandile achieved the following results for the 14 years age group:

1<sup>st</sup> for the 400m Individual Medley, 200m Freestyle, 100m Individual Medley, 50m Freestyle and 50m Butterfly

2<sup>nd</sup> for 50m Breaststroke and 200m Backstroke

In addition to this, Bandile has been selected to represent South Africa at the Africa Aquatics Zone IV Championships Manzini Gala to be held in Eswatini at the beginning of September. Well done, Bandile!

## *Canoeing*

The annual Inter-Schools mixed doubles race took place at Midmar Dam over the weekend. Although the event is promoted as a social day, competition was fierce, with couples racing hard for glory.

Michaelhouse entered 16 mixed-doubles crews into the race, with **Craig Cribbins** (A Block Tatham) and **Brett Roberts** (E Block East), both partnered with paddlers from Epworth, winning the senior and junior categories respectively. **Albert van Zyl** (E Block Tatham) claimed third place in the junior division, paddling with his partner from St Anne's.

## *Eventing*

We are proud to announce that **Simon Reeve** (B Block Ralfe) has been selected to represent South Africa in the Junior Shield category at the upcoming African Nations Shield and Cup Eventing competition. This prestigious annual event brings together top riders from South Africa, Namibia, Zambia, Zimbabwe, and Eswatini (Swaziland), competing across four divisions: the Over 25 Adult Cup, Under 25 Adult Cup, Adult Shield, and Junior Shield.

Hosted in a different country each year, this year's event will take place in Mpumalanga from 15–17 August 2025. Simon will form part of a four-member national team competing in the Junior Shield, and we wish him and his teammates every success as they represent South Africa on this international stage.

## **Service**

The Brun10 *Play It Forward* Foundation continues to have a positive impact in the local community. During the recent holidays, **Connor McMurray** (D Block West) and **Noah Rushton** (D Block West) dedicated their time and effort to refurbishing sports equipment generously donated during the Hilton–Michaelhouse Derby Days.

On Tuesday afternoon, **Connor McMurray** delivered refurbished hockey sticks and cricket bats to Nottingham Road Primary School. The children were thrilled to try out the newly refurbished hockey sticks during practice on Tuesday afternoon and are eager to learn new skills.

## Travel Arrangements

### Half-Term Arrangements:

There will be both a C Block Open Day and a compulsory Inter-House Athletics event on Wednesday, 20 August. The athletics will end around 16h00. Boys may stay overnight and depart on Thursday morning or leave with their own parents after the athletics event. Please note that boys are not allowed to get lifts home with another boy's parents and cannot leave before the athletics event is over. As usual, buses to Johannesburg, Bloemfontein, and Durban will depart on Thursday morning, 21 August, at 07h30.

### End of Term Arrangements:

The last day of the quarter is Friday 26 September. However, the outdoor education for C, D, and E Block returns the day before, on Thursday 25 September. Boys will be allowed to leave with their parents on this day, or, as usual, leave the following day. No school transport will be made available on Thursday.

### Summary of End of Term Arrangements per Block:

- A Block: Boys will end their Trial Exams on Wednesday 24 September but may only depart on Thursday 25 September at 13h00 after all exam checking has been completed
- B Block: Boys will be on community service, the details of which will be communicated separately
- C Block: Boys have a Chapel service at 15h00 on Thursday 25 September, after which they may depart
- D Block: Boys are expected to arrive back from Pondoland in the evening on Thursday 25 September; this is sometime after dark
- E Block: Boys will arrive back from 14h30 in the afternoon on Thursday 25 September
- Buses to Johannesburg, Bloemfontein, and Durban will depart on the last day of the term, Friday 26 September at 7h30

## Michaelhouse Inaugural Golf Day

The inaugural Michaelhouse Golf Day, held at Gowrie Farm Golf Course last Friday, was an outstanding success. On a glorious winter's day, the event brought together members of the wider Michaelhouse community – including Parents, Old Boys, Staff, and St Michael's Club members – in support of funded places for boys at Michaelhouse.

COMMUNITY  
PARTNERSHIP

### ABSA & Kusini Water Bring Clean Water and Solar Powered Boreholes to Partner Schools

The Michaelhouse Community Partnerships Trust is thrilled to announce the successful completion of a transformative project: the installation of a solar-powered borehole system and sustainable garden setups at two of our 16 partner schools – Bruntville Primary and Eminyezaneni Senior Secondary School.

### A Partnership for Progress

This initiative was made possible through the generous support of ABSA Bank and the innovative expertise of Kusini Water. Kusini Water, a pioneering social enterprise, develops water treatment systems using nanotechnology and macadamia nut shells. Their mission is to deliver clean, safe drinking water to rural, peri-urban, and informal communities across Africa. This year, their treatment system has been implemented in two of our partner schools (pictured below).

## What Each School Received

- 12 wooden garden planters
- 1,000 seedlings (carrots, spinach, and tomatoes)
- Fresh compost for planting
- Gardening tools (including gloves and watering cans)
- A borehole-powered irrigation system

## A Day of Celebration

On the 6 and 7 August, the two schools gathered for the official handover ceremonies. The atmosphere was filled with excitement and gratitude as representatives from ABSA, Kusini Water, the Michaelhouse Community Partnerships Trust, Michaelhouse boys, and local leaders joined in the festivities: cutting a celebratory cake and delivering speeches of appreciation. Poems, dancing and choir singing concluded an exceptional day.

## A Step Towards a Brighter Future

This initiative is about more than just clean water and fresh vegetables – it's about hope, sustainability, and self-reliance. With solar power, safe water, and flourishing gardens, these schools are now better equipped to teach, nurture, and inspire their learners. In addition to saving on water and electricity costs, the schools are more functional as places of learning.

When hands join, possibilities are endless.

## Jesus Christ Super Star – A Schlesinger Theatre Production

Jesus Christ Superstar has wowed audiences for decades, bringing both joy and controversy, with its catchy rock numbers in this retelling of the last days of Jesus.

Michaelhouse and St Anne's present this timeless classic with an eleven piece live rock orchestra of professional musicians under the Musical Direction of Mr Gareth Dry. Stage Direction is by Mr William le Cordeur (District Six, Phantom of the Opera, My Fair Lady, Chess, Little Shop of Horrors and Urinetown), and choreography by powerhouse couple Mr Bonwa Bartel and Mrs Nadja Bartel of BoNana Dance.

The story is all sung, and the point of view is largely from Judas' perspective. We have remained faithful to the script and to the music, and the play runs for approximately 2hr30 with an interval and two hour long Acts.

Below are some snippets of what you have to look forward to, don't miss out and book your ticket before it's too late - click on the link below:
