## Rector's Message

Having been in London over the past four days for the re-dedication of the gravestone of our Founder, James Cameron Todd, for a fundraising initiative and to speak to a gathering of our Old Boys at a luncheon and a dinner, I have two short stories to relay to you.

The first of these is that the generosity and pride of our Old Boys in their school is such that, when they witnessed that the grave of our Founder had fallen into disrepair, they were determined to rectify matters. Very quickly sufficient funds were raised by the Old Boys under the stewardship of the Central Committee and Rory McKenna (West 2002) and the gravestone in St. Martin's Churchyard in Ruislip, London, has been beautifully restored. In this regard, we held a short ceremony at the graveside on Friday with prominent UK Old Boys in attendance and, if you would like to view the brief ceremony, please do so by clicking [here](#).

The second story, which is tenuously connected to the first, relates to my coming across a pewter tray at school with the inscription, "To Biddy and Bobby, West, 5.12.32". I knew instantly that this referred to the legendary Bobby Woods, who was Housemaster of West and then Deputy Rector of Michaelhouse, along with his wife. Bobby was a very good sportsman and an immensely popular figure around the school, but he met an early and unexpected death as a relatively young man in his early forties. He and his wife, Biddy, had three sons, two of whom are David, ex-Vice-Chancellor of Rhodes University, and Tim, the latter of whom has recently passed away. David and Tim were both Rhodes Scholars and Tim played hockey and squash for Oxford, as well as being a good cricketer. On a trip to the United Kingdom two years ago, Tim told me that, after his father's death, sufficient funding had been raised to enable him to complete his school career at Michaelhouse; he had long known that, without this generosity, he might not have been able to stay at the school. He therefore told me that he would, in turn, on his death, donate a substantial sum to Michaelhouse. Tim went on to be the Headmaster of Gresham's School before going back to the classroom to teach History at Trent College in the United Kingdom. He was not a wealthy man but lived carefully. As mentioned above, Tim did, in fact, pass away recently and Michaelhouse will be the recipient of a large bequest from his estate. To those to whom much is given, much will be required.

With the annual Michaelhouse/Hilton cricket game and PinkDrive, Mrs Kathy Boast spoke to our boys in Chapel today, about the PinkDrive and the reasons behind such a fundraiser as well as the various cancers which can affect all ages, races and genders. Kathy grew up in Howick and completed high school at Howick High and went on to study Sports Science at Stellenbosch University. She is a devoted wife and mother and has worked with the PinkDrive, leading various fundraising initiatives for over 10 years. Inspired by friends and family who have faced cancer.

### Staff News

We were saddened to hear of the passing of one of our Support Staff, Simphiwe Christopher Didi. Simphiwe worked in the Estates Department for 10 years from 2015 to 2025 where he was an integral part of our hedge cutting team as well as a chainsaw operator. Our condolences to Simphiwe's family and friends who I am sure will miss him dearly!

### A Block Leavers Ceremony

A reminder that the A Block Leavers' Ceremony takes place on 27 November; tea will be served from 12h00. A detailed letter has been sent to A Block parents. For any queries please contact Mr Brendan Gittins, Deputy Rector: Pupils.

## Visit to Hopelands Cancer Centre– Mr Brandon Venter

On Tuesday, our first team cricketers took a meaningful step beyond the boundary ropes, they set aside their usual practice session to visit the Hopelands Cancer Centre in Hilton. This special visit offered the boys a chance to go behind the scenes and learn more about the daily challenges faced by those bravely battling cancer, as well as the inspiring work being done to support them.

The experience was both humbling and eye-opening. It reminded our players, and all of us, that sport goes far beyond the scoreboard. It teaches empathy, teamwork, and the importance of community. More importantly, it reinforces that education through sport extends well beyond the classroom and the playing field.

As we look ahead to our upcoming Pink Day Cricket match versus Hilton, the visit to Hopelands has given the team a deeper understanding of what the day truly represents: raising awareness, showing compassion, and standing together in the fight against cancer.

We are incredibly proud of our first team cricketers and their coaches for their maturity, compassion, and willingness to give their time to something greater than themselves. Their visit was a powerful reminder that true victory lies not only in winning matches but in making a meaningful difference in the lives of others.

**Ben Knoetze** attempts a 3-point shot in the 2<sup>nd</sup> team match against Northwood.

## Water Polo

The water polo teams played fixtures against Northwood at Michaelhouse over the weekend, we played 9 games, winning 7, drawing 1 and losing 1. Well done to our teams!

1<sup>st</sup> and 2<sup>nd</sup> team games were cancelled, 3<sup>rd</sup> team won 8-6, 4<sup>th</sup> team won 8-4 and 5<sup>th</sup> team vs Northwood 4<sup>th</sup> team lost 4-6

U15B won 11-5 and U15C vs Northwood U15B drew 8-8

U14A won 11-6, U14B won 11-0 and U14C vs Northwood U14B won 5-4

A young inexperienced side, made up of C and D Block water polo players attended the Northwood 1<sup>st</sup> Team Stayers tournament this past weekend. The assignment was expected to be a tough one, against some of the best 1<sup>st</sup> sides in KZN. However, this group of young men were up for the challenge and are commended on their excellent performances. After two days of action, the team was placed 7<sup>th</sup> out of 10 teams. We played 6, won 3 and lost 3:

vs Glenwood 1<sup>st</sup> team won 9-2, vs Kearsney 1<sup>st</sup> team lost 4-16, vs Maritzburg College 1<sup>st</sup> team lost 9-13, vs Northwood 1<sup>st</sup> team lost 4-11, vs St Charles 1<sup>st</sup> team won 7-4 and vs Northwood Invitational won 9-8.

In the absence of a 1<sup>st</sup> team match this past weekend, an Under18 v Over18 1<sup>st</sup> team clash was played. The contest was a tight affair for the majority of the match. At 6-5 up with 4 minutes of play, the Under18s fitness allowed them to pull away and win this fixture 10-7. Well done to all boys who participated in what was an enjoyable exhibition of Michaelhouse water polo talent.

### *Hockey*

**Thandanani Zuma** is currently in Malaysia representing the South African U17 hockey team. The team is playing in the annual Data Mirnawan Cup. It was a dream start for the team and Thandanani as they managed a 2-0 win vs Australia with Thandanani scoring his first International goal! Well done, Thandanani!

### *Team of the Week – Mr Ryan Ravenscroft: Head of Sport*

Mr Venter was exceptionally excited about the 5<sup>th</sup> XI cricket team's impressive 10-wicket victory, as well as the U14As outstanding performance, scoring 379 in 40 overs – with **Dan Rees'** remarkable 202\* being the clear highlight.

Mr Sliedrecht and I both thoroughly enjoyed watching the U15A basketball team's spirited comeback to win 34-31, while the U16As close result was fantastic to see.

The U14C water polo team's victory over Northwood's U14B side also stands out as a particularly positive result in what was an excellent day overall for our water polo teams.

However, the Team of the Week accolade goes to the U14A cricket team for their 154 run win over Northwood. Congratulations!

### **Pink Drive – Michaelhouse/Hilton – 8 November 2025**

Once again, our 1<sup>st</sup> Team cricket fixture against Hilton on 8 November will be a PinkDrive match. Both schools will be raising funds for breast cancer and your support for this worthy charity is always

much appreciated. There is also a PinkDrive ladies lunch this Friday, 7 November. at Hilton College. Please see details below.
