## Rector's Message

Over the weekend, our boys played their penultimate game of the summer season (in several sports) against Hilton. We were at home to them and Saturday was a beautiful day; the trees were adorned with the PinkDrive wrappings in support of breast cancer and there were a number of visitors to the school on campus as the gardens were also on display to the general public. Adding to the general excitement was the fact that two First Team matches, in water polo and cricket, went down to the wire and resulted, much to the delight of our boys, in victories for us. The basketball boys fought valiantly and had good support from the side of the court but went down. What was, for many parents, particularly memorable was the keen and friendly rivalry on the day with matches played in beautiful surroundings and in a great spirit.

What was really special was the warmth and hospitality of some of our parents who welcomed elderly visitors from the “the Ambers” in Howick; their grandchildren have long since left Michaelhouse, but they so appreciated the care taken to make them feel welcome. They wrote asking that their thanks should be passed on to the parents concerned as follows:

“Your Michaelhouse parents were so helpful, when we needed to move out of the sun and more than that they were so hospitable, friendly and generous towards the four of us.... the atmosphere was one of fun, warmth and laughter and they insisted on us partaking of their superb fillet steak, chicken and salads.... Initially we felt somewhat embarrassed, especially as we had already eaten our picnic sandwiches but they were all so persuasive and persistent that eventually, we plucked up the courage to sample some of the delicious fare on offer.....

We were overcome with the way in which we were made to feel valued and welcomed by all and it most certainly made our day very special indeed !

Unfortunately, we did not get the chance to thank everyone properly, as we left before the end of the game, we would be so grateful if you could pass this letter on to those concerned.....”

On Sunday we held our Remembrance Day Service. As is our tradition, the names of every Michaelhouse boy who lost his life in any war was read out with the boys standing in their honour. Long ago, Michaelhouse boys had pledged never to forget those who selflessly gave their lives and, in my address to them, I focussed on the physical courage that was needed to go into battle as well as the moral courage that is required to stand up to a situation in which you don't believe. The duality of physical and moral courage was evidenced in the life of one of the most famous World War I poets, Siegfried Sassoon, who was awarded the Military Cross (MC) for bravery, but who then made the famous “Soldier's Declaration” in which he opposed the continuation of the First World War and risked being court-martialled, sentenced and shot for cowardice. This is what he said: “I am a soldier, convinced that I am acting on behalf of soldiers. I believe that this war upon which I entered as a war of defence and liberation, has now become a war of aggression and conquest.” The British government did not know how to deal with this situation because one who had just pronounced a war hero was now, apparently, opposing the war effort. Sassoon was therefore sent to a war hospital, Craiglockhart in Scotland, and the government pronounced him to have shell-shock, the equivalent of post-traumatic stress.

After the mud bath of the First World War, particularly around the area of the Somme, the only sign of life to emerge from the devastated landscape was the poppy. Poppies were the only flower which, in some parts of Flanders, were able to withstand the devastation of the battlefield, which is why they were a sign of hope after the horrors of battle and why we wear poppies today, on or around 11 November, which is Armistice Day - the day when peace was pronounced and people were able to get on with their lives. It is an act of remembrance of those who have died in war or more recently and Michaelhouse boys place poppies in the main quad, one for each of their 175 brothers who lost his life in wars.

#### A Block Applications for Tertiary Education in UK and USA

If your son is applying to colleges and universities in the United States or the United Kingdom, it is important that this is done both thoroughly and in good time. Most boys are well on their way to completing these applications. However if this is still in your plans, it needs to be a priority. If applying overseas is your intention for your son please can you ensure that you inform our Guidance Counsellor, Mr Tim Jarvis, by email at [TimJar@michaelhouse.org](mailto:TimJar@michaelhouse.org) before **Friday 14 November**. Once you have done so you will receive an email outlining the process further. This deadline exists so that the appropriate planning can take place in the last two weeks of the school term.

Please also note that the boys must then have finalised the details of their applications with Mr Jarvis before the end of **Friday 21 November**. There is a high demand for references and academic transcripts

at this time of year and so appropriate time is needed to process these before school closes. Given that there is a lot of material required from the school in support of these applications, late notice requests, or requests made during the holidays, will only be dealt with in the New Year (sometime after the start of the new term in 2026).

### A Block Leavers Ceremony

A reminder that the A Block Leavers' Ceremony takes place on 27 November; tea will be served from 12h00. A detailed letter has been sent to A Block parents. For any queries please contact Mr Brendan Gittins, Deputy Rector: Pupils.

### Michaelhouse MPC Schools' Challenge

On 19 August 2025, the Michaelhouse Schools' Challenge team — comprising **Reily Elliot** (A Block East), **Lerotholi Seeiso** (A Block Mackenzie), **Simon Bailes** (A Block Founders), and **Oliver Bruyns** (A Block Ralfe) — were announced as third-place winners in this year's South African Reserve Bank MPC Schools' Challenge. Their achievement earned R22 000 for the school.

In a remarkable gesture of generosity, the team unanimously decided to donate their prize money to their AP Mathematics teacher, Mr Paul de Wet's Shaya Izibalo Maths Institute (SIMI). The Institute provides Mathematics resources and educational support to under-resourced schools — a cause the boys felt passionately about, believing that “a decent Mathematics education should be a right for all.”

Their decision was two-fold: firstly, to honour Mr de Wet's exceptional contribution to their Mathematics education, and secondly, to acknowledge that “to whom much is given, much is expected.”

During the winners' ceremony, Mr Lesetja Kganyago, Governor of the South African Reserve Bank, reflected on the pivotal role Mathematics played in his own education — a sentiment that underpins the Challenge's requirement that all entrants must be studying Core Mathematics at matric level.

Congratulations to **Edward Mvuluna** (E Block Baines), who has been selected as a neutral referee by the Local Organising Committee for the 50<sup>th</sup> South African Schools Water Polo Tournament to be held in Johannesburg in December.

### *Canoeing*

The Lions River Descent took place this weekend, covering 48km between Caversham Mill and Midmar Dam. Along the course paddlers faced a variety of challenges, including technical rapids, weirs, tree blocks, low level bridges and tight channels. Well done to **Sam Hoy, Ivan Nel** and **Ethan Perry** for successfully completing the full course and to **Leo Watson, Robert Short** and **Jamie Grantham** for competing in the shorter version of the race.

**Ivan Nel, Ethan Perry and Sam Hoy**

**Leo Watson, Jamie Grantham and  
Robert Short**

**Duncan Roberts**, currently on exchange in Perth, Australia, competed in an offshore surfski event, and was placed second in his category. He connected with OM and double kayaking Olympian **Steve Bird** (Farfield 2006), who has helped him integrate into the local paddling community and also arranged boats to race and train in. Thanks, Steve!

**Steve Bird and Duncan Roberts**

### *Rugby*

The annual rugby dinner was held over the weekend with lots of awards and a few farewells to valuable members of the rugby coaching team. John Allan, a former Scotland international rugby union player and later a former South Africa international rugby union player, was the guest speaker for the evening.

Well done to the following boys who received awards on the night:

**Lwandile Dube, Jack Carmody and Oliver Guy**

### *Team of the Week – Mr Ryan Ravenscroft: Head of Sport*

This week, we nominate not one, but all three of our 1<sup>st</sup> Teams for their remarkable performances. Each of them demonstrating what it means to wear the Michaelhouse badge with courage, pride, and heart:

#### **1<sup>st</sup> Team Basketball**

Though the result may not have fallen your way, the final four minutes told the real story. Your resilience, your refusal to step aside, and the energy you demonstrated in those closing moments lit up the court and inspired everyone watching.

#### **1<sup>st</sup> Team Cricket**

A finish that will be spoken about for years to come. Under pressure, you remained composed. When the tension rose, you stood taller. You trusted one another, performed as a unit, and brought home a nail-biting victory on the hallowed RG Oval. Outstanding work. Well done.

## 1<sup>st</sup> Team Water Polo

To be 10–6 down and for all to think the contest was gone... yet you rose. The poolside atmosphere was electrifying, and your comeback was nothing short of inspirational. To fight back and secure an 11–10 win showed extraordinary heart, courage, and belief. A shining reminder of what it means to be a Michaelhouse boy when it matters most.

To all three teams: thank you for representing our school with pride, passion, and unwavering commitment. Your performances this weekend reminded us that results are important, but character is everything.

However, I believe for the most special comeback win, the 1<sup>st</sup> water polo are deserved winners of the accolade of Team of the Week.

## 2026 Important Dates

Please click [here](#) to read the initial important dates document for the year ahead. This document is intended to assist you in your forward planning and awareness of key periods across the school year.

Please note:

- This is not an exhaustive list.
- The purpose is to highlight events that typically involve, affect, or place pressure on a significant portion of the school. It is not about importance or value of event.
- The official school calendar will remain the comprehensive reference point for all activities, fixtures and events.

Dates may still shift as planning continues, but we hope this provides a helpful framework as you look ahead.

## Community Carol Service

## Final Thoughts – West House

A letter has been sent to the West parents about West House being the next of our Houses to benefit from our programme of restoration. A start will be made on 1 December and this means that the West boys will move to the “old Tatham” at the beginning of 2026.

With my best wishes
